The Dining-Room!

We are showing in one of our windows from day to day the possibilities to be obtained in the furnishing of the dining-room with a very small outlay.

Our first window, as you have doubtless seen, showed an Oak Sideboard, six Oak Brace Arm Dining Chairs, a six-foot Oak Dining Table and a 9x9 Art Square for the meager sum of \$27.00.

Today we are showing further possibilities in this direction. Watch this window. It will be interesting to you. Our Spring Carpets and Matting are in. We will be pleased to show them to you.
